PROPOSED USE The two TDCS's listed above are samples of the types of source material used in the attached CIWR Special Report in those underlined areas where reference is made to [REDACTED]. The CIWR was published on 17 May 1968, and the analyst no longer has available the actual TDCS's used as sources, but they were of the same type as those that are attached. We have had a request from [REDACTED] station to release the CIWR report to the [REDACTED]. May we do so with the paragraphs based on [REDACTED] included?
